

## Group Functions

The Mudbrick is always an ideal location for a group celebration. Following are a few guidelines to assist you with your planning. Our group menus are provided for groups of 8 or more.

### Areas to choose from for your Group:

- ❖ **Main Restaurant** – Great for small or large groups. There will be other groups and a la carte diners with you in this area. If you have a large party and wish to consider hiring this area exclusively, we welcome your enquiry and can talk through pricing with you. Please call to discuss.
- ❖ **Mezzanine Floor** – As the name suggests this area is upstairs and has an open balcony overlooking the downstairs and fireplace of the Restaurant. The Mezzanine Floor has its own huge private deck with spectacular views which is nice to utilise for on-arrival drinks etc, weather permitting. This room can accommodate a maximum of 22 guests.
- ❖ **The Potager Garden Room** – This is a room we have available to parties of up to 35 guests. It has its own very special ambience as it was once our wine cellar in days gone by. However the winemaker just didn't appreciate the beautiful sea views, potager gardens & private courtyard surrounding it. It has its own fully stocked bar, waiting staff and music system (IPOD controlled). We recommend this room for any parties wanting to make speeches (where other diners would be an intrusion) or for groups that like to play their own music and intend to become rowdy. The room also has a projector and screen you are free to use. The minimum number required to hire the Potager Garden Room is 20 and there is no charge or venue fee to book this room.

**Getting Here:** Fullers offer groups discounts and packages, please contact Fullers Reservations on 09 367 9111. For alternative transfer arrangements, please contact Waiheke Island Adventures, Jamie & Rochelle on 021-257-1077 or 372-6127, email [jamie@waihekeislandadventures.com](mailto:jamie@waihekeislandadventures.com) OR Waiheke Executive Transport, 0800 372 200, [www.waiheketransport.co.nz](http://www.waiheketransport.co.nz) to organise transfers from Matiatia to Mudbrick. For smaller parties, please contact Waiheke Shuttles, Mike & Sue on 0800 300 372 to organise pickup at the wharf.

**On-Arrival Drinks:** For groups of over 8 diners, we recommend that you select some favourite on-arrival drinks before you arrive so we can deliver fast, seamless service on the day. This eliminates the problem of that natural lag where the drinks seem to be taking forever to arrive as nobody can agree on what to order! You can then take your time to order other wines to follow if you wish.

**Making a booking:** If you decide to go ahead and book, we require a non refundable deposit of \$20.00 per person to confirm the booking and the signed terms and conditions below. We take all major credit cards or cheques made out to Mudbrick Vineyard & Restaurant, PO Box 130, Oneroa, Waiheke Island or you can direct debit it into Mudbrick bank account: National Bank East Tamaki Branch Account Number: 06 0209 0074641 00  
In the details if you could please put the date of your function and your name, this assists

If you require any further information, please don't hesitate to give us a call. It is best to speak with the office team personally to keep continuity – we can be reached between the hours of 9am and 5pm, Monday to Friday.

Kind regards  
Justine Hoggard

## Things to Do at Mudbrick

The Mudbrick Vineyard and Restaurant has a number of unique features:

- It is situated on an Island. The adventure starts as guests board the boat and they leave the City behind them. It is also possible to arrive by helicopter which is rather special.
- The Restaurant is in the middle of a Vineyard. Many guests also decide upon a Wine Tasting or a Vineyard Tour, which adds interest and romance to the occasion.

### **Vineyard Tour & Tasting.**

An experienced guide pours everyone a sample of our wine then leads the guests, glass in hand, on a wander through the vines and discusses Waiheke wines and vines. The walk includes the spectacular 360° views of the Island and Gulf from the top of our Vineyard. Then it's back to the Cellar to sample another of our premium wines. This tour takes approximately 45 minutes and is \$8.00 per guest and requires a minimum of 10 people. Bookings essential.

### **Wine Tasting**

This is an opportunity to taste 5-7 of our Mudbrick Wines. A tasting session lasts about 20 minutes and is conducted by an experienced wine taster who introduces and discusses each wine with the group. A standard wine tasting is \$5 per person and a premium tasting is \$10 per person. Larger groups can be accommodated by arrangement.

### **Wine Options Game**

This is an activity with an enjoyable twist and perhaps just the slightest amount of good-humoured competition. After arrival and settling-in the game begins. You have the choice of standing informally or you can start the game when people seat for dinner and the teams are organised by table. It's a good ice breaker to get the tables talking. One of our knowledgeable staff will run the game by pouring the wines with a series of questions, with multi-choice answers. Be prepared for healthy debate to ensue! At your discretion you may wish to award the winners a bottle of wine or prize that we can provide at a special rate. It's fun, it's interesting, and it's a little bit different. This activity does take time, therefore shouldn't be considered if you have a tight time frame. Cost \$25pp. You will need to be booked into the Potager Garden Room or Mezzanine floor.

### **Petanque**

Low-key, informal fun, enjoyed in our beautiful grounds. Please mention that you would like to book a petanque set when you make your booking.

### **Walkways**

Upping the ante slightly, for the energetic you could begin or finish with a beautiful bush or coastal walkway, we have three walkways adjoining Mudbrick to choose from.

So much to do, and so little time.

## **The Potager Garden Room**

Our Potager Garden Room used to be our winery and is constructed from hand-hewn earth bricks and a natural earth roof.

It also carries the spectacular Day and Night Views that the Mudbrick is renowned for. If the weather permits, you have the option of dining alfresco on the private terrace over-looking the Hauraki Gulf comforted by a large stone outdoor fireplace.

**Our Potager Garden Room offers its own unique advantages: -**

- ❖ **Your function is completely private**
- ❖ **You have your own waiting staff exclusively**
- ❖ **You can bring your own music on an Ipod**
- ❖ **You can have speeches with confidence**
- ❖ **You have use of our data show projector and screen**
- ❖ **The Potager Garden Room has it's own separate fully stocked bar**
- ❖ **You have your own private courtyard with views to the city, it's a nice area to gather and have on arrival drinks before seating, complete with outdoor fireplace**

The Potager Garden Room enables you to play your own music without the comments from other diners. Alternatively, it is ideal for an intimate candle lit function, which you would like to be completely private, have speeches, and the like.

**Minimum 20 guests - Maximum 35 guests**

**There is no extra charge for the Potager Garden Room**

## On-Arrival Drinks

We know from past experience that your function will flow beautifully if, upon arrival, guests are greeted with on-arrival beverages.

A little pre-planning in this area is essential to eliminate the natural lag that occurs when guests have to decide what to drink, staff have to process the orders in one large “lump” leaving the guests a little empty handed for the first few minutes of arrival. This “pause” can seem like an age and take the edge off an otherwise smoothly flowing function.

May we suggest the following options for on-arrival drinks:
